

heavy duty time recorder

*4000 Series with Automatic
Print Activation*

Need a steel tough time clock without a tough price? Lathem's mechanical time recorders can't be beat. Ideal for payroll time or job costing, these heavy duty time clocks can withstand high volume use and harsh environments. Whether you choose automatic (4000 Series) or manual (2000 Series) activation, the indestructible coined steel type wheels offer smooth reliable operation and a crisp clear registration every time. Mounted securely to a wall or on a tabletop, the steel case and key lock provide a durable and tamper-proof installation. The two-color ribbon self-reverses at the end of the spool for longer life, and can easily be changed. Works with almost any standard time card.

***RUGGED DURABILITY AND
EASY OPERATION FOR
YOUR EVERYDAY USE!***
